

**Graduate Council Resolution in support of
Distance Education Delivery for Graduate Level Program**

Whereas the Graduate Council passed a resolution more than 10 years ago stating no SIU degree program can be delivered entirely online or off-campus. This resolution also specified that online courses would not be accepted for transfer credit;

And whereas quality online education is now common practice for many educational institutions which make this resolution obsolete;

Therefore, be it resolved that the Graduate Council approve the delivery option of 100% online or entirely off-campus for SIU programs as well as accept courses delivered in online formats for transfer credit from accredited institutions.
