

## ANNOUNCEMENT OF RESOLUTION

**RATIONALE:** The purpose of the Master of Engineering Degree in Civil and Environmental Engineering is to offer a non-research master's degree in order to fulfill the new requirement implemented by the National Council of Examiners for Engineers and Surveyors that 30 credit hours of course work beyond the BS degree be required for licensure as a professional engineer. The program can be completed in one calendar year and should attract practicing engineers as well as new students interested in practice. No costs are associated with creating the new degree.

**RESOLUTION:** Be it resolved that the Graduate Council approves the establishment of a new Master of Engineering Degree in Civil and Environmental Engineering in the College of Engineering.
