

Southern Illinois University Carbondale

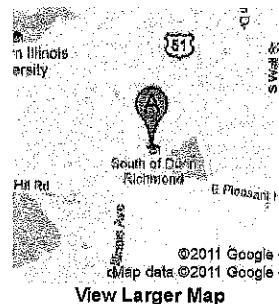

Innovation Week, October 24-28, 2011

Southern Illinois University Carbondale is dedicated to facilitating innovation, a natural complement to and result of our educational mission.

Innovation Week will take place at the Dunn-Richmond Economic Development Center.

We encourage you to get involved in any and all of the events below - there's something for everyone!

Join us at the Third Annual Technology and Innovation Expo. See results and business opportunities related to university research and development, network with potential and existing inventors, investors and business people, and help us celebrate achievements of several up-and-coming inventors and researchers at SIUC. The event includes the dedication and ribbon cutting for the new Saluki Innovation Lab at 3:30 with reception to follow.
