

**Graduate Council Resolution in Support of Changes to the Graduate School Academic
Grievances Policy/Procedures**

Whereas the Graduate School's Academic Grievances Policy/Procedures govern the processes through which graduate students may appeal academic circumstances under the direct authority of the Dean of the Graduate School; and

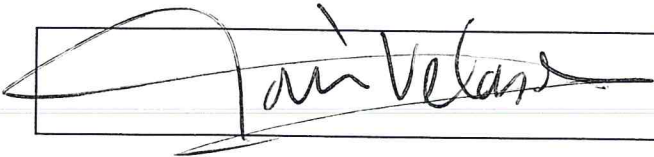

Whereas the policy has not been updated in several years and some of the terminology included is currently inaccurate; and

Whereas in recent years, much of the institutional memory regarding the origins and implementation of the policy has been lost; and

Whereas the policy should be clarified for both students and faculty in order to facilitate its effective application;

Therefore, be it resolved that the Graduate Council approves the attached changes to the Graduate School Academic Grievance Policy/Procedures.
