

Report from the Research Committee of the Graduate Council (2016-2017)

The Research Committee produced two resolutions, and these are:

1. A Resolution in Support of the Establishment of a Faculty Mentoring Program, which was passed by the Graduate Council after a second reading on May 4, 2017.
2. A Resolution in Support of Graduate Education and Graduate Research, which was passed by the Graduate Council after a second reading on December 1, 2016

The committee also helped the Graduate Dean, Dr. Yueh-Ting Lee, with a Three-Minute-Thesis (3MT) competition which he organized for the first time here at SIUC. The competition took place on February, 2017.
